

# 2015 CTS Vsport

Cadillac CTS was the 2014 Motor Trend Car of the Year.

**BUILT AT:** Lansing, Michigan  
**EPA VEHICLE CLASS:** Midsize Sedan

## NEW FOR 2015

- Revised grille with new Cadillac crest
- Available wireless phone charging
- Text Message Alerts integrated with Cadillac CUE
- OnStar with 4G LTE and standard built-in Wi-Fi hotspot (3GB/three-month trial)
- Perpendicular parking feature added to available automatic parking assist
- Lane keep assist and lane change alert safety features added to available Driver Awareness package

## VEHICLE HIGHLIGHTS

- Exclusive Twin-Turbo V-6/eight-speed automatic powertrain, with the most power-dense six-cylinder engine in the midsize luxury segment – a 3.6L with 118 horsepower per liter
- 0-60 mph in an est. 4.4 seconds and est. top speed of 172 mph
- The headlamp housings incorporate crystalline LED light guides in the upper and lower forward corners, bringing uniform white illumination without hot spots
- Interior features include heated and ventilated front seats, heated steering wheel, motorized cup holder lid in the center console, adaptive remote start that also activates the climate system, and electrically actuated and locking glove box
- Cadillac CUE with eight-inch, high-resolution color touch screen
- Driver information center with a 12.3-inch color reconfigurable screen with four levels of information displays
- Standard Brembo front brakes
- Standard Magnetic Ride Control real-time damping system

## SAFETY FEATURES

- Ten standard air bags
- Standard Driver Awareness package includes: safety alert seat, side blind zone alert, lane change alert, lane keep assist, lane departure warning, forward collision alert, rear cross traffic alert, rear-vision camera system, Intellibeam® high-beam control and Rainsense wipers
- Available Driver Assist package includes all of the Driver Awareness package content, plus: full-speed-range adaptive cruise control, automatic safety belt tightening, and front and rear automatic braking
