STANDARD FEATURES

Package Mechanical Interior Exterior Safety

PACKAGE

- Navigation Package

- Cadillac user experience¹ with navigation²
- May require additional optional equipment

¹ Full functionality requires compatible Bluetooth[®] and smartphone, and USB connectivity for some devices. Data plan rates may apply.

² Map coverage available in the United States, Puerto Rico and Canada.

- Cold Weather Package

- Heated driver and front passenger seats
- Heated steering wheel (on CT4-V, certain vehicles built on or after 12-6-2021 will not be equipped with heated steering wheel. Feature will not function on certain models without dealer retrofit, expected early Q3, 2022. Contact a dealer for details or check the window label for the features on a specific vehicle)
- May require additional optional equipment

- Lighting Package

- LED front lamp turn signals
- LED front cornering lamps

- May require additional optional equipment
- Driver Awareness Plus Package
 - Following Distance Indicator¹
 - Lane Change Alert with Side Blind Zone Alert¹
 - Lane Keep Assist with Lane Departure Warning¹
 - Rear Cross Traffic Alert¹
 - IntelliBeam auto high beam assist

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle's owner's manual for important feature limitations and information.

MECHANICAL

- Rear-wheel drive
- 3.6L Twin Turbo V6 engine
 - 472 hp and 445 lb-ft of torque
 - Paired with a 6-speed manual transmission or available 10-speed automatic transmission
- 6-speed manual transmission
 - Engineered to thrive under the most demanding track driving conditions while at the same time delivering an engaging and comfortable daily drive
 - Active Rev Matching (ARM) that automatically adjusts engine speed to match the anticipated gear selection for smooth, seamless upshifts and downshifts
 - No Lift Shift (NLS) allows the driver to shift gears without letting off the gas pedal
 - LuK Twin-Disc Clutch for both extreme high torque capacity and great pedal feel
- Keyless Entry and Start
 - Uses an integrated key fob sensor instead of a traditional key
 - Keep your keys in your purse or pocket to start your vehicle
- Custom Launch Control
 - Automatically activated in all Performance Traction Management Track modes, Launch Control manages tire spin to optimize full-throttle track acceleration from a standing start
 - V-Series Blackwing includes Line Lock
 - Automate the process for warming the tires prior to the start of a race. Once activated, and with front brakes fully applied, Line Lock locks the front brakes independent of the rear brakes for a maximum of 15 seconds for the driver to spin the rear tires while the vehicle is stationary
 - Drivers must keep the wheel straight, full pressure on the brake pedal and doors shut or the system will stop the burnout from taking place
- Electronic limited-slip rear differential

- Enhances road grip by automatically allocating torque to the rear wheels with the most traction during hard cornering
 - Electronically adjusts for more precise tuning
 - On V-Series Blackwing, ready for track-duty with a high-performance differential cooler
 - Rear differential cooler
 - Helps maintain proper operating temperatures, keeping gears cool and at optimal performance
 - 3.73 rear axle ratio
 - Tow hook
 - High-performance suspension
 - Provides improved body control and a more agile feel
 - Lateral control and quicker steering response
 - Magnetic Ride Control
 - Delivers precise body motion control, reading the road every millisecond and changing damping in just 5 milliseconds
 - Electric Power Steering
 - Increases or decreases the amount of assist depending on the steering wheel angle and vehicle speed
 - Performance brake linings
 - Designed to handle the heat and resist brake fade¹
 - May require additional optional equipment
- ¹ Vehicles equipped with these linings will experience faster accumulation of brake dust on wheel surfaces and may produce more noise than with standard linings.
- Brembo[®] high-performance front and rear brakes
 - Staggered 6-piston front calipers, 4-piston rear calipers
 - High-performance copper-free brake linings
 - Increased rotor sizing
 - Gray brake calipers
 - All 4 calipers
 - Front and rear with V-Series logo
 - Electronic parking brake
 - Activated by the simple touch of a switch and can be operated even when the vehicle is turned off
 - Capless Fuel Fill
 - Helps keep your hands clean of dirt and fuel during fill ups
 - Quad-outlet exhaust with dark tips

- Deliver performance and a contemporary, integrated and refined appearance
- Tire inflator kit
 - Includes sealant and a compressor

INTERIOR

- Cadillac user experience with navigation
 - Cadillac user experience¹ places access to your contacts, music and navigation² with available real-time traffic alerts³ at your fingertips
 - 8" diagonal multi-touch HD color screen and Natural Voice Recognition technology
 - 2 USB ports⁴
 - Personalized profiles for each driver's settings
 - Wireless Apple CarPlay™⁵ capability for compatible phones
 - Wireless Android Auto™⁶ capability for compatible phones
 - Connected Apps

¹ Functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices.

² Map coverage available in the United States, Puerto Rico and Canada.

³ Requires subscription. Visit onstar.com (<http://onstar.com>) for more details.

⁴ Not compatible with all devices.

⁵ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. Apple CarPlay is a trademark of Apple Inc. Siri, iPhone and Apple Music are trademarks for Apple Inc, registered in the U.S. and other countries.

⁶ Vehicle user interface is a product of Google™ and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android™ smartphone. Data plan rates apply. You can check which smartphones are compatible at [g.co/androidauto/requirements](https://support.google.com/androidauto/answer/6348019?hl=en&ref_topic=6106969) (https://support.google.com/androidauto/answer/6348019?hl=en&ref_topic=6106969). Android Auto is a trademark of Google LLC.

- SiriusXM® with 360L 6-month Trial Subscription
 - Enjoy a 6-month Platinum Trial Subscription and enjoy the full SiriusXM with 360L experience¹
 - This vehicle is equipped with SiriusXM with 360L. This advanced in-car technology will guide you to the most SiriusXM channels, shows and exclusive content for a ride that's uniquely you, with personalization features to make discovering your perfect soundtrack easier than ever before
 - For the full SiriusXM with 360L experience, a Platinum Plan is required. If you subscribe to a lower package, certain features of 360L will not be available
 - With the Platinum Plan you can listen when outside of your vehicle on the SXM App

— Some features, including streaming content and listening recommendations require GM connected vehicle services

¹ If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. See the SiriusXM Customer Agreement at www.siriusxm.com (<http://www.siriusxm.com>) for complete terms and how to cancel. All fees, content, features, and availability are subject to change. ©2021 Sirius XM Radio Inc. SiriusXM, Automatic, Pandora and all related logos are trademarks of SiriusXM Radio Inc. and its respective subsidiaries.

- HD Radio

- Transmits Program Service Data, such as song titles and artist information

- Premium Surround Sound 15-speaker audio system

- Incorporates the latest hardware and software components in the world of automotive audio, combined with distinct speaker grille design to fully complement the interior

- Bose[®] on V-Series; includes 14-speaker audio system

- AKG[®] on V-Series Blackwing

- Bluetooth[®]

- Pair your compatible mobile phone to your vehicle's infotainment system¹

¹ Go to my.cadillac.com/learnAbout/bluetooth (<https://my.cadillac.com/how-to-support/entertainment-connections/bluetooth-smartphones-wifi/bluetooth>) to find out which phones are compatible with the vehicle.

- Wireless Apple CarPlay/Wireless Android Auto capability for compatible phones

- Can use Apple CarPlay¹ and Android Auto² wired or wirelessly

¹ Apple CarPlay vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. Apple CarPlay is a trademark of Apple Inc. Siri, iPhone and Apple Music are trademarks for Apple Inc, registered in the U.S. and other countries.

² Android Auto vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android smartphone. Data plan rates apply. You can check which smartphones are compatible at [g.co/androidauto/requirements](https://support.google.com/androidauto/requirements)

(https://support.google.com/androidauto/answer/6348019?hl=en&ref_topic=6106969). Android, Google Play and Android Auto are trademarks of Google LLC.

- Wi-Fi[®] hotspot capable

- Terms and limitations apply. See onstar.com (<http://onstar.com>) or dealer for details.

- SD card reader

- Located within the front center console

- Additional SD Card Reader added to instrument panel when Navigation Package is ordered on V-Series

- Additional SD Card Reader added to instrument panel when Performance data and video recorder is ordered on V-Series Blackwing
- May require additional optional equipment
- Performance front bucket seats
 - Include 18-way driver and front passenger adjustments
- Inteluxe Seats
- 4-way power driver and front passenger lumbar control
 - Extends, retracts and moves the lumbar up and down to provide lower-back support
 - May require additional optional equipment
- Seat adjuster, front passenger 4-way power lumbar adjustment
- Power driver and front passenger seatback bolsters
 - Adjust the amount of side support you prefer in your seatback bolsters
 - 2-way adjustability
- Seat, front passenger power seatback bolster adjustment
- Heated driver and front passenger seats
 - When vehicle is on, the automatic heated seats and heated steering wheel will be activated at the level required by the vehicle's interior temperature
 - Automatically turns on/off the heated seats and heated steering wheel as needed to keep you comfortable based on the cabin temperature and climate settings
 - Override the feature using regular controls
- Split-folding rear seat
 - Rear seat-release feature on the rear seats creates a pass-through to the trunk that makes storing longer items easy
- Black seat belt color
- Rear head restraints
 - Adjustable (up/down)
 - Outboard seating positions
- Front carpeted floor mats with V-Series logo
 - Helps protect your interior from road debris and the elements
- Rear carpeted floor mats
 - Helps protect your interior from road debris and the elements
- Sill plate cover
 - Dark finish
 - Front door openings
- Power tilt and telescoping steering column

- Allows the driver to power adjust the steering wheel and column up or down and forward or back
- Use the driver memory to save and recall memory settings
- Provides extra comfort when entering or exiting the vehicle
- Heated steering wheel
 - Can turn on/off manually by pressing the button on the steering wheel
 - Automatic heated steering wheel remains standard on CT4-V Blackwing
 - CT4-V vehicles built on or after 12-6-2021 will not be equipped with heated steering wheel
 - Feature will not function on certain models without dealer retrofit, expected early Q3, 2022
 - Contact a dealer for details or check the window label for the features on a specific vehicle
 - May require additional optional equipment
- Leather-wrapped thick rim steering wheel
 - Alloy paddle shift controls mounted on the backside of the steering wheel for transmission shifting
 - V-Series includes V-Mode button, leather-wrapped rim and leather-wrapped horn pad
- Steering-wheel mounted controls
 - Controls are positioned intuitively to make them convenient and easy to use
- 12" diagonal HD color reconfigurable driver cluster
 - Fully reconfigurable high definition cluster layout
 - Includes driver personalization, warning messages and vehicle information
 - Allows drivers to personalize vehicle features and information
 - May require additional optional equipment
- Digital compass
- Driver Mode Selector
 - Customer-selectable drive modes allow the vehicle to adapt even better to the driver's preferences and changing road conditions
 - Tour, Sport, Snow/Ice, Track, My Mode and V-Mode
- Power windows with driver and front passenger express-up/down
 - Quickly raises the window or lowers it with the touch of a button
- Window, power, passenger, Express Up/Down
- Power windows, rear, express-down
 - Quickly lowers the window with the touch of a button
- Power door locks
 - Lockout protection helps you avoid locking your key fob in the vehicle

- Alloy sport pedals
 - Designed to enhance the interior appearance of your vehicle
 - Brushed metal with raised rubber traction surfaces
- Keyless Open
 - With the key fob in your possession, locks and unlocks your vehicle's doors without having to use the key fob, increasing convenience
 - Lockout protection helps you avoid locking keys in the vehicle
 - Set which doors unlock, and your exit features, with the driver's door in the Driver's Information Center preferences
- Universal Home Remote
 - 3-channel programmable
 - Conveniently activate compatible devices such as garage door openers, security systems, and home automation devices from inside your vehicle
- Cruise control
 - Maintains a selected speed while driving
 - Set and resume speed functions
- Memory settings
 - Save preferences for up to two drivers for the driver seat adjuster, outside mirrors and power tilt and telescoping steering column (if equipped)
- Wireless Phone Charging
 - Uses induction technology for portable electronic devices¹

¹ The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adaptor/back cover. To check for phone or other device compatibility, see my.cadillac.com/learnAbout/wireless-charging (<http://my.cadillac.com/learnAbout/wireless-charging>), or consult your carrier.
- 12-volt auxiliary front and rear power outlets
 - Front located in front center console storage compartment
 - Rear located on rear of center console for second-row passengers
- Power outlet, rear auxiliary 12-volt, located in center console for second-row passengers
- Dual-zone automatic climate control
 - Allows individual climate settings for both driver and front passenger
- Rear air vents
 - Provides cabin comfort for rear occupants
- Cabin air filter
 - Helps keep your cabin air fresh from dust and particulates
- Inside rearview auto-dimming mirror

- Automatically dims the inside rearview mirror when it senses bright light from behind
- When headlamp glare is no longer detected, the mirror returns to its normal state
- Frameless mirror is designed and shaped to help expand the mirror surface
- Driver and front passenger visors
 - Includes covered and illuminating mirrors
- Assist handles
 - First and second row outboard seating positions
- Assist handles, rear outboard
- Ambient interior lighting
 - Includes door and footwell lighting
- Cadillac Connected Access capable
 - Subject to terms. See [onstar.com \(http://onstar.com\)](http://onstar.com) or dealer for details.

EXTERIOR

- 18" aluminum alloy wheels with Polished/Dark Android finish
 - Paired with 18" high-performance, summer-only, stop-flat tires¹

¹ Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to [my.cadillac.com/learn/About/cadillactires \(http://my.cadillac.com/learn/About/cadillactires\)](http://my.cadillac.com/learn/About/cadillactires) or see your dealer.
- 18" high-performance, summer-only, stop-flat tires
 - 255/35ZR18 front¹
 - 275/35ZR18 rear¹
 - Exclusive tri-compound formula specifically developed for V-Series Blackwing
 - Includes Tire inflator kit

¹ Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to [my.cadillac.com/learn/About/cadillactires \(http://my.cadillac.com/learn/About/cadillactires\)](http://my.cadillac.com/learn/About/cadillactires) or see your dealer.
- Spare tire delete
- Rear spoiler
 - Adds a stylish, performance flare
 - Body-color on V-Series
 - Black on V-Series Blackwing
- Black window surround moldings
 - Upper bodyside

- Rocker moldings, with extensions, Gloss Black
- LED headlamps
 - Includes light pipes that channel and disperse vibrant light in dramatic ways resulting in elegant signature elements, visible day and night
- IntelliBeam auto high beam headlamps
 - Automatically turns on and off your vehicle's high beam headlamps according to surrounding traffic conditions
- Automatic on/off headlamps with Tunnel Detection
 - Setting the control to "Auto" turns on the headlamps to normal low-beam brightness, along with the taillamps, license plate lamp and other exterior lights when darkness is detected
 - Senses that you are entering a tunnel and may automatically turn headlamps on
 - When you shut off the ignition and exit the car, the lights remain lit as you walk away
 - Headlamps will turn off automatically, after a set amount of time, to save battery life after the vehicle is turned off
- LED front cornering lamps
 - Illuminate when the vehicle turns a corner below 15 mph
 - Directional lamps are aimed into turns, aiding in nighttime situations such as turning into a subdivision or onto a road where a streetlight is not present
 - Also illuminates when the turn signal is engaged at speeds above 35 mph and improves detecting potholes and other visible obstructions during lane changes
 - May require additional optional equipment
- LED front lamp turn signal
 - These beautiful and vibrant turn signals engage the cornering lamps at speeds above 35 mph and improves detecting potholes and other visible obstructions during lane changes
 - May require additional optional equipment
- LED tail lamps
 - Help improve visibility in low-light conditions
- Neutral-density, Gray-tinted transparent outer lens tail lamps
 - Includes Red crystalline inner elements
 - Gray-tinted lens complements the exterior accents
- Body-color heated, power-adjustable, manual-folding outside mirrors with driver-side auto-dimming and integrated turn signal indicators
 - Both mirrors are heated and are activated when the rear defogger is engaged, helping to clear them of ice, snow and frost to help improve visibility
 - Auto-dimming feature automatically adjusts the driver-side outside mirror when it senses bright light from behind

- Integrated turn signal indicators help communicate your intention to change lanes
- Windshield, acoustic laminated glass
- Acoustic laminated glass
 - Helps keep out traffic and road noises
 - Dampens sounds from the outside to help give you a quiet ride
 - Laminated front side and windshield glass
- Rainsense automatic wipers
 - Turn on automatically when sensors detect varying degrees of precipitation on the windshield
 - The intermittent feature adjusts the speed of the wipers to help keep the windshield clear in a variety of conditions
- Body-color door handles
 - Includes Keyless Open access from any door

SAFETY

- Front Pedestrian Braking
 - Can help you avoid or reduce the severity of a front-end collision with a pedestrian it detects directly ahead of you¹
 - It provides pedestrian alerts and can even automatically provide hard emergency braking or enhance the driver's hard braking
 - The system works at speeds below 50 mph during the daytime
 - It has limited nighttime and low visibility performance

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- Automatic Emergency Braking
 - Works with Forward Collision Alert to help you avoid or reduce the severity of a front-end collision with a detected vehicle you're following¹
 - Camera technology is used to automatically provide hard emergency braking or enhance the driver's hard braking
 - This feature works at speeds below 50 mph

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- Performance Traction Management
 - Traction, stability and chassis mode control system
 - Activated through Track Mode and includes 5 control modes specifically designed for track driving: Wet, Dry, Sport, Race 1 and Race 2
- Airbag, Passenger Sensing System sensor indicator inflatable restraint, front passenger/child presence detector (Always use seat belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.)
- 8 airbags
 - Frontal airbags for driver and front passenger¹
 - Knee airbags for driver and front passenger¹
 - Seat-mounted side-impact airbags for driver and front passenger¹
 - Head-curtain airbags for both rows in outboard seating positions¹
 - Includes Passenger Sensing System which automatically switches the front passenger seat frontal airbag and knee airbag on or off and illuminates a status light that indicates whether the airbags are on or off¹

¹ Always use seat belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.

- OnStar[®] & Cadillac Connected Services capable
 - Terms and limitations apply. See onstar.com (<http://onstar.com>) or dealer for details.
- Front and Rear Park Assist
 - Can provide distance alerts to nearby detected objects in front of or behind your vehicle to help you park and avoid collisions at low speeds¹
 - Certain vehicles built on or after 1-24-2022 will not be equipped with Front and Rear Park Assist
 - Feature will not function on certain models without dealer retrofit, expected Q4, 2022
 - Contact a dealer for details or check the window label for the features on a specific vehicle

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- HD Rear Vision Camera
 - Shows you a high-resolution digital image of the area directly behind your vehicle when you're in Reverse at low speeds¹

- Selectable dynamic guidelines laid over the display image assist in parking maneuvers by showing the vehicle's path
- This may help you park and avoid nearby objects

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **Rear Cross Traffic Alert**

- Can warn you of detected left or right cross traffic behind your vehicle when you're in Reverse¹

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **Lane Keep Assist with Lane Departure Warning**

- Uses a brief, gentle steering wheel turn to alert you when you may be unintentionally drifting out of detected lane lines, so you can steer to stay safely in your lane¹
- If needed, you may receive additional Lane Departure Warning alerts
- System alerts do not occur if you're using your turn signal or it detects you may be intentionally leaving your lane

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **Lane Change Alert with Side Blind Zone Alert**

- Can provide side-mirror visual alerts when a detected moving vehicle is quickly approaching or is in your side blind zone¹
- It can help you avoid lane change collisions

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **LED Reflective Windshield Collision Alert**

- Can provide a flashing red windshield collision alert drawing your eyes to the road when certain front collision threats are detected¹

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **Forward Collision Alert**

- Can warn you if it detects a potential front-end collision with a vehicle you're following so you can quickly take action¹
- It can also provide a tailgating alert if you're following a vehicle much too closely

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **Following Distance Indicator**

- Displays the gap time in seconds between your vehicle and a detected vehicle you're following¹
- This can help you decide if you're following much too closely

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- **Driver and front passenger seat belts**

- Lap and shoulder belts for driver and front passenger with pretensioners

- **Rear seat belts**

- Lap and shoulder belts for all rear outboard positions
- Also includes center lap and shoulder belts

- **LATCH System**

- Lower Anchors and Tethers for CHildren system helps make it easy to install and secure a compatible child restraint seat

- **Teen Driver**

- This configurable feature lets you activate customizable vehicle settings associated with a key fob to help encourage better driving behavior
- It can limit certain vehicle features, and automatically turns on certain safety systems if vehicle is equipped
- An in-vehicle report card gives you information on driving habits and helps you to continue to coach your new driver

- **Cadillac V-Performance Academy**

— Ultra-high performance driving school where owners will learn the true capabilities of their car¹

¹ Participant must be 21 years of age or older with a valid driver's license and insurance. Available only to first retail owner or lessee of a new and unused CT4-V Blackwing. Offer is not redeemable for cash and excludes all alcohol and spa services. All taxes and fees associated with acceptance of this offer are the sole responsibility of the participant. Participant is responsible for booking their individual flight and/or ground transportation. All pricing, availability and terms are subject to change without notice. Void where prohibited. Contact Spring Mountain Motor Resort and Country Club at 855-556-2878 for further information. Offer administrated by General Motors and expires one year from the date of delivery of purchase or lease of the eligible Cadillac vehicle.

- Safety Alert Seat

— Uses left, right, or both-side seat vibration pulses to help you identify the direction of potential crashes so you can quickly take action¹

— You can also switch to beeping crash avoidance alerts

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for more important feature limitations and information.

- Tire Pressure Monitoring System

— Monitors the pressure in each tire and alerts you if there is a low-pressure condition in one or more of the tires

- **MSRP excludes tax, title, license and dealer fees.**
- **MSRP excluding installation, taxes and wheel components (if applicable). Dealer prices may vary. Some accessories may require purchase of additional equipment and/or services. See dealer for details.**
- **MSRP excludes tax, title, license, dealer fees and optional equipment. See dealer for details.**
